COLLEGE
LANARKSHIRE**

Bringing Education Closer

We are delighted that Tom Ferris, Chief Dental Officer for Scotland, has supported our new HND Dental Hygiene programme, taking place at our Coatbridge Campus.

Starting in August 2022, this programme is led by current Dental Hygienists and educational experts offering experienced GDC registered dental nurses the opportunity to study in a vibrant, innovative college environment supported by the College's state-of-the-art dental facilities.

Successful completion of this programme qualifies you to register with the General Dental Council (GDC) as a Dental Hygienist.
