

# Safety Climate Survey WebEx

Do you have questions about completing the Safety Climate Survey (SCS) in your practice? Would you like to hear more about planning your team meeting and completing your action plans?

If so, join us for our WebEx on **15 January 2020**  
**12:30-13:30** to hear from our national team.

## How do I join?

A WebEx is an online meeting which you join via a weblink and by telephone. On the day [join the WebEx online](#), then call the free phone number on the screen. You should check your systems compatibility and internet connection as soon as possible to ensure this session goes smoothly. Please contact your local IT team in advance of the meeting if you are unable to access the Webex.

## What will I need to do on the WebEx?

The national team will be talking you through the SCS, so just bring yourself and any questions you may have. You can use the chatbox to get involved in the discussion or join in our question and answer session after the presentation.

## Who from the team should come along?

This WebEx will be particularly useful for those managing the practice or leading team meetings. However we welcome all staff with an interest in their practice SCS.

## Where can I get more information about the SCS or the WebEx?

Visit our [website](#) or get in touch with the Primary Care Improvement Portfolio team at [hcis.pcpteam@nhs.net](mailto:hcis.pcpteam@nhs.net). This WebEx will be recorded and uploaded to our website for those who are unable to join in on the day.
